Good Morning Shawna:

How is your summer? Was the NFB TDD for the Admin Record submitted(See below)? I have been in contact with Weston in regard to HTC but nothing on NFB. I do not see it listed on Weston's report either.

Attached is most recent HTC EasyLite invoice document.

I hope all is well.

Thanks

Thanks for the heads up. I thought we did this early on during the assessment work but we did not. Please let me know what you need from me. Peter Lisichenko is the local Weston rep on my site and can steer other Weston personnel in the right direction as well.

Thanks

Hey Eric-

Did you ever do an Admin Record for Holy Trinity or Niagara Falls Blvd? I've been looking through our removals to make sure we have admin records. If not- let me know and I'll do TDDs and have RST do them. I'll have them come to you for documents. Let me know😊
